PRIVACY STATEMENT

The information contained within this document will be used by your adviser solely for the purpose of making recommendations and will be treated strictly **confidential**. The Corporations Act 2001 requires that an Adviser making financial recommendations must have reasonable grounds for making those recommendations. This document is designed to provide your InterPrac authorised representative with accurate detailed information as to your current personal and financial position. The more detailed information you provide your Financial Planner, the more effective we can be in assisting you to meet your financial goals.

The privacy of your personal information is important to us.

1. Why are we asking so many questions?

We collect your personal information to ensure that we are able to provide you with the products and services appropriate to your needs.

Financial Planning is the exercise of:

- a. gathering all the details of your financial position;
- b. understanding your financial goals;
- c. analysing all the issues and options which will form the basis of any recommendations;
- d. providing advice and recommendations, whilst also making all the required disclosures;
- e. agreeing with the advice to allow the adviser to implement the actions required to achieve your financial goals; and
- f. agreeing on the level of further review and action required to ensure the advice and recommendations continue to achieve all identified financial goals.

The process of providing financial advice may seem simple, but it is the result of carefully gathering the right information to be able to assess your financial goals. This can be achieved through the completion or updating of a previously completed fact find. A fact find will help identify what is relevant and also helps to prioritise any action required. We aim to ensure that the personal information that we retain about you, is accurate, complete and up to date.

If you provide us with incomplete or inaccurate information, we may not be able to provide you with the products or services you are seeking.

The law also requires us to collect personal information eg The Corporations Act 2001 requires us to identify a person's needs, objectives and financial circumstances to be able to provide advice; and the Anti Money Laundering and Counter Terrorism Financing Act 2006 ("AML/CTF Act") (Commonwealth) requires us to identify all clients and to conduct identity verification checks.

2. Access to your personal information

Subject to permitted exceptions, you may access your information by contacting your adviser.

3. We may need to communicate personal information to:

- a) your adviser and external product providers;
- b) other members of InterPrac Financial Planning group. This enables InterPrac to have an integrated view of its customers and clients;
- c) organisations (who are bound by strict confidentiality) to whom we outsource certain functions i.e. our auditors. In these circumstances, information will only be used for our purposes;
- d) other professionals such as solicitors, and stockbrokers when a referral is required;
- e) third parties when required by law eg under Court Order; and
- f) Government departments or agencies such as ASIC or AUSTRAC.

4. Our Privacy Policy

As an Authorised Representative of InterPrac Financial Planning Pty Ltd, we have adopted the principles set out in the Privacy Act 1988 as part of our continuing commitment to client service and maintenance to client confidentiality. For further details please refer to the InterPrac Financial Planning *Privacy Policy* which can be found in the **Financial Services Guide**.
